

Hello All,

October has already begun a busy month at the Black Tavern. On Saturday October 1st we held our fourth annual Craft Fair under grey and misty skies when 32 crafter gathered for a beautiful display of their hand-made crafts. Thanks to all who came to the “Hill” to make this another successful venture and a special thank you to Karen Moseley and her behind-the-scenes crew who make this fundraiser happen.

On Saturday, October 15, from 10: AM - 12 noon, a tour of the Black Tavern will be held in conjunction with the Last Green Valley “Walktober” program. This event is being coordinated by Black Tavern board member Joy Glynn. If you have never had a tour of the entire Tavern this is a great opportunity to see all the hidden gems that folks never get to see during our monthly speaker programs. The Black Tavern was also featured in an article in the recent Last Green Valley magazine. We thank them for the great write-up about our special building.

Our October program “Things that go Bump in the Night” will be held on Thursday October 20th, at 7:00PM in the Black Tavern barn. If f you plan to attend please be advised that the barn is not heated so please dress appropriately. This program hosted by board members Tom Boyd and Sarah White is being presented by the same person who presented last month’s widely acclaimed program so it promises to be another well attended event.
