

Upscale Barn Sale

You know you have been holding off letting go of something that you think has good value and is better than yard sale material. You also know your heirs will put it on the front lawn or in the dumpster because they have no clue about its value. So take this opportunity to see it appreciated by others. And have some fun while you help the Tavern and yourself!

This sale is always an interesting collection and well presented...showing off the barn to full advantage. Even if you do not have something for the sale, please come by and see the displays. You might be tempted to acquire something and help us ring up sales.

If you come by on the preview evening, you might wish to bring along something to drink and share, since the lawn out front of the barn is a great place to enjoy a June evening with fellow members. Come experience a unique Dudley event.

And think about what you might have tucked away!

Memberships

A reminder, if you have already renewed your membership, we thank you. If you have not, we will have a table at the Black Tavern on the evening of the Strawberry Festival, June 18th, to accept new memberships or renewals. Your membership helps us to maintain this important landmark of Dudley.

Hope to hear from you soon.
