

Upscale Barn Sale

The attached picture is from last year's **Upscale Barn Sale**. This fun event will again be held during the annual Grange Strawberry Festival on June 16, from 3pm until dark. This sale is a 50/50 split of the price of the item sold, with the owner getting 50 %. If the item is not sold, the owner gets it back. Past participants have enjoyed seeing their interesting things displayed, and watching to see if their wonderful item is sold! So look through your treasures, and decide if you have something that might be of interest to sell. Call Ed Bazinet (508-943-5509) to see if it will fit into this year's event. Space will not allow for display of large collections, and Ed can advise on what has worked in the past. All items must be at the barn by June 12, so begin looking through your stuff! Remember, if you leave it for your heirs, it might be put out in a yard sale or the landfill! So sell it now and enjoy the event while helping out the Tavern! Also, there will be a preview evening, June 15 from 5-8, for Tavern members and guests. This is a BYOB/lawn chair/munchies event where we get together to enjoy the summer evening and browse (and buy!) before the large crowds.
