

April 2026 Caretaker's Report

Tavern Maintenance

- Ed Bazinet and his son Jamie travelled to Cape Cod to pick up a china cabinet that was donated to the Black Tavern.
- Our electrician Brian Benoit removed a wall lamp so we could place the china cabinet in its present location.
- Ed and his son Darin set up the china cabinet in the Taproom.
- I purchased flags and bunting to be placed in front of the Tavern for the 250th anniversary of the nation.
- The flagpole rope has broken and will need to be replaced. I have ordered a new one. We will need help replacing it when it arrives.
- I have raked out all the gardens.
- I have ordered the geraniums for the front porch and have purchased flowers to be planted around the flagpole.
- The tractor has been returned from maintenance.
- I have thatched and vacuumed all the lawn areas.
- I have put up the new sign on the privy.
- I have set up the meeting room for a rental, the March program and the BOD meeting.
- The electrician has installed wiring and plugs on the second floor of the Tavern.

Tavern Rentals

One rental this month

- April 11

Tavern Functions
