PRESENTS

**“THE FOUNDING FATHERS: WHAT WERE
THEY THINKING?”**

**PRESENTED BY
PROFESSOR RICHARD A. HESSE, J.D.,
GEORGETOWN UNIVERSITY**

In 1787 delegates gathered in Philadelphia to address a wide variety of crises facing the young United States of America and produced a charter for a new government. In modern times, competing political and legal claims are frequently based on what those intended. This program explores the cast of characters called “founders,” the problems they faced, the solutions they fashioned, and why these issues are important for you today.
